Re: In the Matter of Order for Compliance
Docket No. CWA-08-2005-0051

Dear Mr. Krueger:

On September 13, 2005, the U.S. Environmental Protection Agency (EPA) issued an Order for Compliance ("Order") in the above-referenced matter to Krueger Construction, Inc. This Order required Krueger Construction to comply with all requirements of the North Dakota Permit no. NDR10-0000 and with additional provisions requesting information.

Krueger Construction complied with the provisions of the Order by submitting documentation which indicated that it did not own the property at the time of the alleged violation and currently has no projects in the Elwood Court Addition. Establishing non-ownership of the property in question relieves Krueger Construction of all additional provisions of the Order, including the request for information. Therefore, for administrative purposes, as of the date of this letter the file on the Order (Docket Number CWA-08-2005-51) is considered closed. If you have any questions, the most knowledgeable people on my staff regarding this letter are Darcy O'Connor, NPDES Unit, (303) 312-6392, and Alicia Hoegh, Legal Enforcement, (303) 312-6876.

Sincerely,

Carol Rushin
